West Allis, WI/February - The newest truck idea to hit the streets of Southeastern Wisconsin. The Mobile Tax Truck! Spencer Accounting Group, LLC is very excited to unveil their mobile tax truck. Their team plans on holding a social media event to increase the buzz surrounding this innovative idea of Entrepreneur Keana Spencer. It will provide tax preparation services, meeting with existing clients and more! "There are many aspects that makes The Mobile Tax Truck exciting," says Keana Spencer, Chief Principal Accountant, Tax and Research at Spencer Accounting Group, LLC. "A little bit of coffee, music and snacks will create a feel-good environment for our target audience." The truck is equipped with wifi, heat, coffee maker, tables and chairs. The Mobile Tax Truck will debut at their photo shoot this Summer.

You can find more information on the Mobile Tax Truck on our website www.spenceraccounting.com, and find us in your neck of the woods!
